Tallest British Airman Loses Both of His Feet

London, Eng., May 17.—The tallest airman in the British army, Lieut. David Drummond, 6 feet 5 inches in height, has suffered the amputation of both feet as the result of an accident while flying in Italy. He is a nephew of the Duke of Northumberland.

U. S. SEIZES MUCH GERMAN PROPERTY IN PORTO RICO

San Juan, P. R., May 17.—Approximately \$100,000 worth of German central and Porto Rican property, held with the treasurer of Porto Rico by six German insurance companies, formerly doing business in Porto Rico, have been seized by the government and placed to the credit of the allied property custodian. The bonds were required to guarantee the payment of risks to Porto Rico policy holders.

Until recently the bulk of the insurance business of the island was written by German agents in German companies.

M. E. Spelman, representing A. Mitchell Palmer, enemy property custodian, who has been in Porto Rico and the Virgin Islands for the past three weeks, has found enemy property here valued at many hundred thousands of dollars, which he said are either being sold or reported to Washington for seizure.

BRITISH WRECK 3 PLANE
London, Eng., May 17.—Thirty-seven German airplanes, 12 of which were destroyed, were accounted for by British airman Wednesday.

Support The Red Cross To The Full Extent That You Are Able!

WHAT you give may not be large, but be a soldier of the Red Cross at any cost. It means that then YOU will be one of the World's Good Samaritans at the thundering battle front, in the crowded hospital tent and in the lonely homes of these whose sons will never more

return from the field of battle.

THIS GREAT ORGANIZATION asks only for your contribution, not your service at the front, and no merchandise you ever dreamed of purchasing with money can compare with the tremendous fact that by contributing that same sum to the American Red Cross YOU will be doing your part to bind up the broken hearts and ease the throbbing brows of America's soldiers at home and abroad.

WAR IS NO LONGER a store-box fancy; it's a fierce fact. AND WHEN YOU hear that your neighbor's boy was "killed in action," or a friend tells you on the car that both of his nephews "have been reported "missing"—

WHEN YOUR BROTHER'S boys—yes, your own boy—is sent home from the French front minus an arm or an eye, or both, and you contemplate the ironical future before him—

WHEN YOU HEAR that your boy has been KILLED, and only his sword and watch and seal-ring return to console you through the childless years ahead—

THEN YOU'LL BE INFINITELY GLAD YOU HEARD AND HEEDED THE CALL NOW GOING OUT FOR THE RED CROSS.
